Subject : Outbreak of Monkeypox Disease -reg.

Sir,

Greetings from Port Health Organisation, Cochin.

It must have come to your notice that outbreak of Monkeypox Disease has been occurring in many parts of the world and in view of increase in outbreaks in non-endemic countries, Government of India has issued necessary guidelines on Monkeypox Disease and has asked all ports and airports to be on high alert and ensure advance preparedness. So far Monkeypox Disease has not been reported in India.

Sir, I am enclosing guidelines received from Directorate General of Services, Ministry of Health and Family Welfare for your information please.

With regards
