

TRADE CIRCULAR – 06/2022

Trade Circular No.: JSWJPL / 14-03-2022

To,

All Agents.

In recent months we have observed few of the vessels found with not having Indian Flag/not in proper condition for hoisting while inside JSW Jaigarh Port Limits.

This has been taken very seriously and warned the vessels not to repeat such scenarios in future.

To avoid this in future all the agents are requested to ensure vessel inbound JSW Jaigarh Ports are having Indian flag in proper condition and same to hoisted and lower as per standard protocol in maritime industry.

Any repetition of such incident in future may lead to penalized the vessel and even stopping of the vessel operations inside port on vessel account.

Regards

Capt. Ankit Garg

Head Marine

JSW Jaigarh Port Ltd.
