### **Trade Notice No. 4: Non-Working Days**

Cyclone "Biparjoy" is active in Arabian Sea and is likely to affect ports in West Coast of India. In event of weather getting bad, considering safety of vessels within port limit and safety of port and its infrastructure, port will close its operations till weather becomes conducive for port operations. The port closure period on account of bad weather due to cyclone "Biparjoy" will be considered as non-working days for Adani Petronet (Dahej) Port Limited. The notice is issued to provide advance notice to all stakeholders, shipping agents and customers. Actual time of port closure will be intimated once the effect of "Biparjoy" subsides.
