To

The Port Health Officer,
Port Health Organisation,
Mangalore.

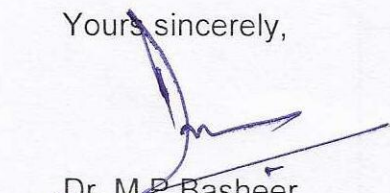

Sub : Issue of Ship Sanitation Certificate from Port Health Organisation, Mangalore .– reg.

Sir,

As per the existing IHR list of ports, New Mangalore Port is not a designated port for issuing Ship Sanitation Control Certificate / Ship Sanitation Control Exemption Certificate. As the office of Port Health Organisation, Mangalore is under the administrative control of the Port Health Organisation, Cochin and an average weekly 15-20 ships are calling at this port daily. Frequent enquiries are made from the shipping agents for Ship Sanitation Control Certificate / Ship Sanitation Control Exemption Certificates. The matter has been taken up with competent authority (Deputy Director General (CIHD)) for clarification through a mail dated on 3rd April 2024. He clarified that either it can be done under the supervision of Port Health Officer, cochin on emergency situations or else ship can proceed to the next port of call to do inspection if it is a designated port.

The Concerned mail has been attached here with.

Yours sincerely,

Dr. M.P. Basheer
Port Health Officer
Cochin.
